Xccent Announces Groundbreaking at New 100,000 FT² Facility in Wyoming, MN.

Osceola, WI October 8th, 2009

Xccent Play is proud to announce the groundbreaking of a new corporate headquarters and manufacturing facility in Wyoming, MN. The groundbreaking ceremony took place on Thursday October 8th at the new site located at 5240 257th Street, Wyoming, MN 55092.

Guests in attendance at the groundbreaking were the following:

Sheldon Anderson – Mayor City of Wyoming	Steve Powell – Anchor Bank
Tom Ryan – R.J. Ryan Construction	Jim Collins – Anchor Bank
Ken George – Tauges & Redpath	Ben Montzka – Chisago County Commissioner
Carol Pressley – Dept. of Employment and Economic Development	

Attending from Xccent:

John Mathiesen – President/Owner	Pat Mathiesen – Materials Management/Owner
Marlys Dunne – Chief Financial Officer	Dan Reisetter – Vice President of Sales & Marketing
Mark Gibson – Production Manager	

The new facility will house an approximately 90,000 FT² manufacturing floor as well as 10,000 FT² of office space and will be built by R.J. Ryan Construction of Minneapolis, MN. Xccent plans to begin occupying the new building as early as March of 2010, with plans to complete the move and transition of production lines by the end of 2010.

“The construction of the new manufacturing and corporate headquarters positions Xccent well to increase our service to customers in key markets.” said John Mathiesen, President and CEO of Xccent. “We are excited about the move to Minnesota and to be a part of the City of Wyoming community!”

Xccent

Founded in Scandia Minnesota in 1976, Xccent gained a reputation for developing a number of unique coatings and products sold into a wide range of applications from the industrial, medical, residential decking, commercial playground and park equipment industries. Xccent's experience in coating, design and fabrication technology led to our unique, innovative and rapidly growing product line. As market leaders in these fields, our focus has evolved to concentrate on the Commercial Playground and Medical/Industrial strategic business units.
